What do you consider to be the applicant's challenges or areas for continued growth?

The following statement appears on Hesston College's application for admission. When applicants sign their application forms, they agree to follow these lifestyle standards while they are a part of our campus.

Hesston College is committed to certain lifestyle standards that every student is required to live by even if the standards differ from personal convictions or preferences. We are committed to being an alcohol and drug-free campus; to responsible and honest relationships with others that are not coercive, exploitive, abusive or promiscuous in nature; and adherence to all local, state and federal laws.

Do you think the applicant will be able to live within these standards? Please comment.
