IT STARTS WITH YOU IN THE TEE BOX

Join Hesston College alumni and friends at the Hesston College Student Scholarship Golf Benefit at the Hesston Golf Park. The event kicks off Homecoming weekend, Each Other's Light: a Multicultural Celebration. More homecoming details are available at hesston.edu.

This year's benefit will honor Dave and Sena Osborne, graduates and long-time college and student supporters, for their long-time support and passion for multicultural diversity at the college. Dave and Sena have worked at the college for a combined 59 years – Sena as manager of the post office and Dave in a variety of positions, including director of international student services, ESL instructor and currently as director of international admissions. Dave and Sena have a passion for helping and learning from others' experiences of moving across cultures and languages that stems from their own experiences of living in five countries. Dave and Sena understand the richness diversity brings to the Hesston College campus and want to see that continue.

The proceeds from the 2014 Hesston College Student Scholarship Golf Benefit will go towards the Dave and Sena Osborne Scholarship fund, which will provide two $1,000 scholarships to international Hesston College sophomores in the first year and will be endowed for future scholarships when earnings reach $20,000.
