# START *with the facts*

## DESIGNED FOR FLEXIBILITY

Not sure where you're headed yet? Don't worry – students have two years to be sure about their program of study before selecting the best place for them and their major for the next two years. Start here, go everywhere!

## EXPERIENCE MORE

**From the start, Hesston College freshmen and sophomores become leaders as they:**

- land lead roles in theatre productions
- serve as athletic team captains
- intern in their fields of study
- perform as soloists in the choirs or band
- serve as resident assistants, ministry assistants or student ambassadors
- work as lab assistants and peer tutors
- gain leadership experience while serving on a variety of clubs and committees – Chapel Committee, Campus Activities Board, Campus Worship, Student Advisory Board and many more!

**Student-to-faculty ratio:** 9 to 1

**Student population:** Total student enrollment is about 400. This year, students represent 31 states and 13 countries.

**Religious affiliation:** Hesston College students represent about 25 religious affiliations. The college is one of five colleges or universities affiliated with Mennonite Church USA.

**City of Hesston:** 4,000 residents, nine parks, Dyck Arboretum of the Plains, 18-hole golf course, four square miles, 10 minutes north of Newton, 35 minutes north of Wichita.
