

May 25, 2017

Greetings to Hesston College International Alumni,

This is your official invitation to come and be part of A Hesston College Homecoming 2017, Grounded in Community, Globally Engaged. Please use this letter as needed to inform country representatives regarding your travel needs for this event in September 2017. We are providing a visit window for being on our campus in Kansas, United States of America, for international guests from September 10 through October 10. This is in order for our guests to have sufficient travel and relationship building time related to our event.

Grounded in Community, Globally Engaged is the theme for **Homecoming 2017** September 21 to 24, celebrating the rich multicultural history of Hesston alumni from around the world. Weekend events will honor International Admissions Director David Osborne and his wife Sena Osborne and their work in building relationships with students from around the world over the past 40 years. We also will be honoring alumni with class years ending in 2 and 7 with reunions and have a wonderful overall lineup to view at www.hesston.edu/events/homecoming. The alumni office has worked with the Homecoming/Inauguration Planning Committee of the college to develop this exciting theme!

We expect many of you to join us for this wonderful celebration and to share your memories and to give recognition of David and Sena Osborne. We may call on some individuals to present in various events of the weekend and we will be in touch with you regarding those presentations if needed in advance. You are welcome to stay with family and friends of the college or the college guest house and area hotels. We look forward to this special weekend and if you have additional questions or assistance, please contact me by email, Dallas.Stutzman@hesston.edu.

Blessings and Best Wishes,

Dallas L. Stutzman
Director of Alumni and Church Relations
Homecoming & Inauguration Chairperson
