- 10% international students
- 45% U.S. students from outside of Kansas
- 45% students from Kansas

Highest scores reported among two-year colleges nationwide for student-faculty interaction

All international students who are accepted for study are guaranteed to receive an International Scholarship

Support services include:

- Peer-led and instructor-led group study sessions
- One-to-one tutoring
- Student Writing Fellows who are trained to work with fellow students in all stages of the writing process
- Instructors and advisors who get to know you and your unique story
- International Student Success Team that monitors each international student's academic progress and provides support and assistance as needed
- Personal assistance in scheduling and providing transportation for medical appointments, shopping, airport and general transportation, assistance with transfer procedures and more
- Resident Assistants who plan activities to help you meet other dorming students

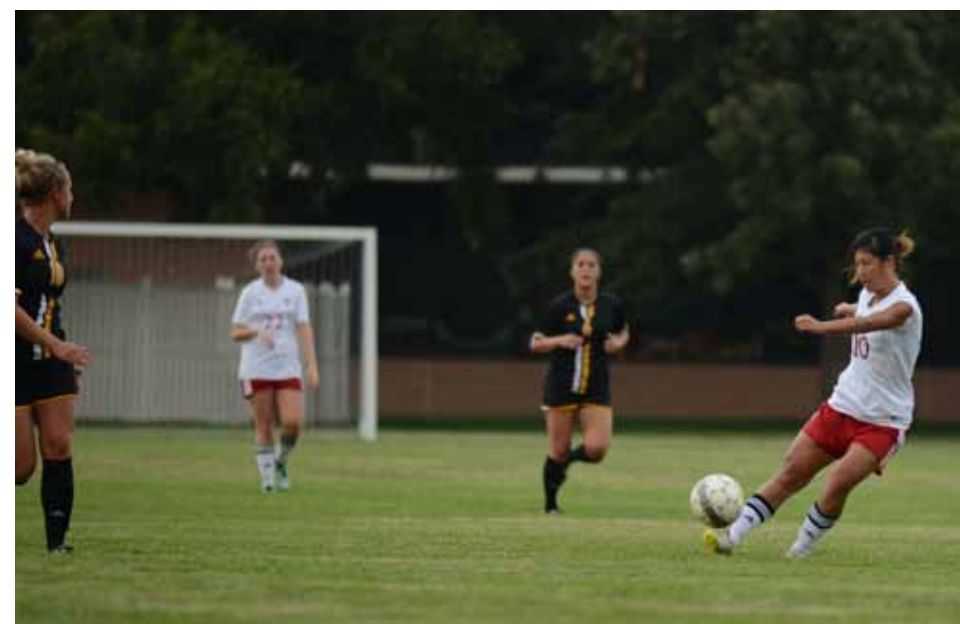

Hesston College is a Christian college affiliated with Mennonite Church USA. Students come from many different religious backgrounds — the majority are from Christian backgrounds, but others are from Muslim or Buddhist backgrounds, and some do not have any specific religious background. All are welcome at Hesston College.

Students rank campus safety and security number 1 in their level of satisfaction

“ I felt welcome at Hesston from the first day on campus. At first I was afraid of the things I didn't know about, and about the language and communicating with others, but everyone is so welcoming and caring, it was never a problem.”

Irena Xhari  
 Lezhë, Albania, class of 2016, completing degree at Bluffton (Ohio) University

“ As a former international student myself, I found Hesston College to be a welcoming place with people who appreciated what I had to offer. Now, more than 30 years later, that community that values students from across the world has not changed.”

Dr. Joseph A. Manickam  
 Hesston College President, Hesston College  
 international student 1985-87

## Degrees offered

Students can earn associate of arts (AA), associate of science (AS) or associate of general studies (AGS) degrees for transfer for a four-year degree. The associate of applied arts and sciences (AAAS) degree is granted to students who complete a two-year degree program and can also be used for transfer. The bachelor of science in nursing (BSN) degree is a four-year degree program for students studying the nursing profession.
