

June 2019

Greetings to Hesston College Academy Class of 1959,

Sixty years is a long time to have been privileged to live on this earth! Many of my memories, habits and ideas still link back somehow to that very important high school experience at Hesston. Stan is still amazed that I don't need a light to do those last minute things before bed--the strictly enforced Green Gables "Lights Out" rule at 10:30 taught me that!

I hope many of us can come along with spouses (or children) to the Green Gables luncheon on Friday and our Class Reunion on Saturday. We hope that both Sara Ann Claassen, our class sponsor and Marvin Miller, our Choir Director, can also be present. If you need special accommodations or a place to stay overnight, there are some local classmates that might be willing to host or make recommendations.

We had a great turnout for our 50th, and this one might be one of the last times many of us are able to make it, so don't miss seeing your old friends, sharing your journeys, and re-connecting with Hesston. Places are important markers of Faith and friends are one of the best resources for a joyful and meaningful life. Let us know if we can help you make it to this important event.

The Homecoming celebration will take place on the Hesston College campus **September 26 through 29**. Our class reunion is scheduled **from 1:15 to 4 pm on Saturday, September 28, 2019 in Smith Center, Classroom #119**. A class picture will be taken during this time as well. Hopefully, we can be together as a class for many of the other meals and events scheduled for the entire weekend.

The summer **Hesston College Today** magazine will give complete details for the weekend and registration information. All alumni are invited to go to [www.hesston.edu/homecoming](http://www.hesston.edu/homecoming) in late July and register on-line or mail the hard copy brochure by Friday, September 20. You will be able to find specific details on **our reunion schedule** updated on the homecoming website under the **Reunion Classes** link.

The Hesston College Homecoming focus this year will be on the completion of the Be Greater Campaign for Athletics and Nursing. In addition, a variety of events will be held throughout the weekend including:

- **The Golden Gables luncheon Class Recognition for all 50-year and greater college and academy classes on Friday, the 27<sup>th</sup> at noon. Please plan to attend!**
- Celebration and dedication of the new Bonnie Sowers Nursing Center, Yost Center additions and renovations, and the new Bess Mullet Softball Field
- Aviation Open House
- Alumni symposium presentations on calling and vocation
- Manickam Mosey Two-Mile Run/Walk
- Annual Homecoming Golf Benefit at Hesston Golf Park honoring Floyd Sowers
- Disc golf tournament on the campus course

**If you are not able to attend**, please send the alumni relations office a letter or e-mail to share an update on where you are at with classmates who are here for the weekend. **Updates can also be submitted online at [www.hesston.edu/address-update](http://www.hesston.edu/address-update).**

Looking forward to seeing you in September!

Sincerely, Delores (Hiland) Friesen
