

August 2020

Greetings classmates of the Academy Class of 1960,

60 years!! How can it be! It's been a long time since we got on the bus and took our Senior Sneak to Rocky Mountain Camp. Little did we think then that 60 years later we would be planning another class reunion. Memories. How precious they are. Each of us will remember those events that were most important to us. Looking at the Lark from that year, I noted several that were mentioned often by the friends who wrote in my book. In addition to the Senior Sneak, many spoke of choir tour, class parties, the production of "Amahl and the Night Visitors" as well as good times in the dorm. Our 60th reunion will be an opportunity to revisit those memories and share what we remember of those good times.

So, please plan to be a part of the **VIRTUAL Hesston College Homecoming on Saturday, September 26, 2020**. Celebrate and reminisce with our class and get up-to-date on the Hesston College of today. Activities for the day will include:

- Morning devotional
- Coffee and conversation with the President and Vice Presidents of Hesston College
- Aviation program update -- celebrating 50 years of Hesston aviation and their new four-year program
- and of course our very own virtual class reunion!

A full schedule for the day can found at hesston.edu/homecoming.

Our **reunion will be hosted through Zoom Video Communications on Saturday at 1:30 pm**. Plan now to get your comfy chair ready, sport your best Hesston College attire, grab your favorite drink, select your perfect virtual background and plan to join us. Pre-registration is required and can be done at hesston.edu/homecoming. The link for the Zoom call will be emailed out the day before the reunion. **Please register by Friday, September 18.**

To help us celebrate from home, the college is also offering HC Homecoming 2020 Care Packages! Your customized care package will include gifts, games and more. While wearing your new alumni t-shirt, you can play the campus tour game to learn about the many enhancements on Hesston's campus, reminisce about your Hesston Experience while exploring the HC Memory Envelope, browse pictures from our past and take part in traditional Homecoming activities like a virtual Manickam Mosey or golf benefit. HC Homecoming Care Packages are \$30 and can be ordered through the online registration form.

If you are unable to attend our class reunion, please send an update about your life so I can share it at the reunion. **Updates can be submitted online at hesston.edu/address-update.**

I hope you are able to participate in this unique reunion experience and am looking forward to seeing you in September.
