Certification and Agreement Acknowledgement:

HEERF I - Hesston College acknowledges that a signed Certification and Agreement was submitted to the Department of Education on April 14, 2020 for HEERF I grant funding. This agreement indicated our commitment and assurance that Hesston College would use no less than 50% of the funds received under Section 18004(a)(1) (HEERF I) of the CARES Act to provide Emergency Financial Aid Grants to students.

HEERF III (ARP) - Section 2003(7) of the ARP requires Recipient, an institution of higher education as defined in section 101 or 102(c) of the Higher Education Act of 1965, as amended (HEA), 20 USC § 1001 or 1002(c), to provide emergency financial aid grants to students in an amount equivalent to the sum of two amounts: 50 percent of the portion of its allocation that is based on formula factors from CRRSAA section 314(a)(1)(A)-(D) and 100 percent of the portion of its allocation that is based on formula factors from CRRSAA section 314(a)(1)(E)-(F). The amount of funds made available by this supplemental award under Assistance Listing Number (ALN) 84.425E represents the minimum amount that Recipient must use for making emergency financial aid grants to students.

Distributed Grants:

As of December 17, 2021, \$287,900 of the HEERF student grants have been distributed to students.

Student Eligibility:

A total of 323 students at Hesston College were eligible to participate in the program under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants.

Grants Awarded:

All 323 students eligible to receive an Emergency Financial Aid Grant received a grant.

Distribution Methodology:

It was determined that two separate grant distributions would be awarded, one in the fall semester and one in the spring semester, each distribution using half of the total allocated HEERF III funds.

To Determine the distribution method for the HEERF III Grants, the same formula was used that was developed and used for the distribution of HEERF I grants. For the HEERF I grants, a team of 6 Hesston College Faculty and Staff members was created. The team determined that all students should receive grant funding as all students were impacted financially in some way from the disruption of campus operations related to COVID-19. To determine grant amounts distributed, a formula was selected to address two factors, part-time and full-time status as well as a need based analysis according to a completed FAFSA or other financial data points. Below is the formula that was created and used to identify student grant disbursement amounts.
