Current activities are mainly connected to the shows and have included refreshments after “A Christmas Carol,” the celebrity dinner with “Little Shop of Horrors” and an early bird reception for our patrons connected to the spring and fall mainstage shows. Members assist with promotion and occasional errands to support the work of faculty and theatre scholars and also initiated the Theatre Patron Program.

The theatre guild is new and welcomes suggestions and additional members to the guild and the patron program. Please contact any current guild member with your questions or interest.

In accordance with Kansas State Fire Marshal regulations, we request you take a moment to identify the two emergency exits closest to you. Staff members have checked these exits and the other emergency equipment in the building and verify they are available for use in case of an emergency. In the event of an emergency, pay close attention to the announcer or your usher for important life safety information.
